

Item	Specifications
Rated capacity	50
Rated weight	5200-5100
Turning speed	2.1
Extending speed	2590
Extending height	2550
Extending depth	2700
Extending distance	2230
Loading width	2590
Unloading height	2850-2925
Unloading distance	2380
Grade ability	3%
Maximum drawbar pulling force	397
Operating hour per year	3352
Traveling speed	0.94/0.95
Rated distance	330
Maximum fuel consumption	4.1
Maximum working pressure	21
Control method	Hand lever and foot
Noise	ISO
DB(A)	86
KB	80
Working pressure	Hydraulic
Voltage	24V
External direction	Right/Left
Control method	Hydraulic control
